Daniel and his team did an amazing job in our house.

He was always punctual, available and responsive. He went out of his way to explain to us what the floor finish was going to look like and prepared an onsite sample with the chosen stain applied for our sign off before he started work. His work was precise, meticulous and the results were stunning.

Moreover, he handed us back a spotless house, which shown no signs of the usual dirt and debris one tends to find after contractors finish works.

I would wholeheartedly recommend Daniel and his team not only as a satisfied customer but also as a professional. Having worked as an architect for over a decade, it was a pleasure to collaborate with a trustworthy and reliable decorator and to get such great results- with no nasty surprises. Excellent work!

Kind regards,
